

Asli Atta Flour, Asli Semolina and Asli Rice – traditional products of the highest standard

For approaching 20 years, Asli Atta has provided the UK Asian community with top quality, chapatti flours for the creation of traditional breads.

Our Atta is relied upon by restaurant chefs and home cooks alike.

Milled from the finest wheats, Asli Atta is finely ground to absorb water easily, making a soft dough that is consistently easy to knead and roll out, for great tasting chapattis time after time.

Asli Basmati was launched in the year 2000. Its unique characteristics of aroma, flavour, texture and elongation make it the ideal rice for all savoury dishes.
