

Guru – rice of a consistent high quality

Guru is one of the best selling brands of basmati rice in the UK and has a reputation for its consistent high quality to guarantee perfect cooked results every time. The kernels are long and thin and elongate to two or three times their length when cooked.

Guru Basmati is an aromatic rice delicately flavoured to complement Indian cuisine. Westmill Foods select only the finest paddy which is aged for at least one year in India

before shipment to the UK for cleaning and milling at the company's mill in North Yorkshire.

For over 400 years Gurus have been passing on their faith and wisdom from one village to another, and only the best food was placed before the Guru. In the Himalayas this was always the finest basmati rice, long grained and aromatic. In time, it became known as Guru rice.
