Rajah – The Finest Authentic Foods

Rajah was founded way back in 1931 by a former Indian Army officer, who opened a small shop in London called Bombay Emporium. Originally products were limited to whole and ground spices but as the UK Asian population grew and the nation's appetite for Asian food expanded other products were introduced such as Curry Pastes, Chutneys and Pickles and Poppadums.

Rajah's reputation for quality and reliability has spread among other Ethnic communities in the UK. The Caribbean community has embraced the flavour and quality of Rajah seasonings, which are an essential component in Caribbean cooking.

Today, and now in newly designed packaging, Rajah products are used both in-home for household cooking and in Indian and Asian restaurants throughout the UK.
