## Tolly Boy – one of the best selling rice brands in the UK

For 50 years Tolly Boy has been milled and packed in the UK and is one of the best selling brands of rice in the UK today.

Tolly Boy has a reputation for consistent high quality, which guarantees perfect cooked results every time and represents excellent value for money.

Tolly Boy Long Grain Rice is expertly milled for long, fluffy white grains and is perfect for everyday use. It is very popular with the UK Bengali community as a staple to their everyday meals as well as with Chinese Chefs looking for the perfect rice for their restaurant and take-away customers.

Tolly Boy Easy Cook rice is long grain rice that has been 'par-boiled' before milling. The process of parboiling makes the rice easier to cook as it is less sticky and ensures free flowing, delicious grains once cooked.

Tolly Boy Basmati Rice, launched into the market in 2006, is the most recent addition to the Tolly Boy portfolio. Tolly Boy Basmati rice has a fragrant flavour and aroma, with grains that are separate and fluffy when cooked to produce delicious results.
